MEMORANDUM FOR THE RECORD

SUBJECT: Call from Keith Adamson re VOA broadcasts

1. Keith Adamson of VOA telephoned at 11:45 this morning answering Mr. Kirkpatrick's inquiry about reports that VOA had broadcast charges that those wounded in the Saigon Embassy bombing got little treatment in the Philippines.
2. Mr. Adamson said he had thoroughly checked all VOA broadcasts and had found nothing along these lines. He added that even if VOA had heard such reports it would have been against VOA policy to broadcast anything like that.
3. All Mr. Adamson could suggest was that if any news service had carried such reports they might have been broadcast by domestic radio in the Far East, by the Armed Forces Network, or by the Far East Broadcasting Corporation, a religious outfit broadcasting from the West Coast.
